STEWARDING THE LIFE OF A SERVANT LEADER II

IN POWER, PURPOSE AND PURITY

*A live training event broadcast live via

350 locations around the U.S.*

Saturday, March 10, 2007

Dear Leader:

Greetings in Jesus' Name!

Solomon asked the Lord for one thing in I Kings 3. He asked the Lord to “give your servant ***a discerning heart*** to govern your people and ***to distinguish between right and wrong!*** God was honored by the purity of his request and granted it. While depositing this rich gift into his life, the Lord was impressed by the things that Solomon did not ask for: 1) Long life; 2) Wealth; 3) The life of his enemies.

What we pursue in life may inadvertently reveal what we have avoided. Both of those arenas play a significant role in how God ends up dispensing the riches of His kingdom in our leadership influence.

When we asked the Lord for direction regarding our March 10, 2007, discipleship training event *Foursquare Live!*, we wanted to know which pursued truth would yield the strongest and most lasting fruit in our ministries. This year, the theme of “*Stewarding the Life of a Servant Leader II*” focuses on three very important topics: Power, Purpose and Purity!

There has never been a time during my 31 years of ministry that I have been more aware of the desperation of leaders who want to understand the power that we must lead with, the absolute need for spiritual and moral purity (the credibility of our message), and a “word” from the Lord concerning this season of their life. This has been a sobering season of seeing the very “public” results of living in submerged pain and deception, and it calls us to lead with strong determination to live in the light.

For that reason, we are issuing a “clarion call” for our existing and emerging leaders to gather together on Saturday, March 10 at nearly 350 locations around the United States for these very strategic sessions. Guest speakers that we have invited include:

Jack Hayford (Power)
Pete Scazzero (Purpose)
Ted Roberts (Purity)

Each session will run 90 minutes and will include interactive time within the segments. This will be presented live everywhere (except Hawaii).

Solomon learned early on to pay the price for obtaining wisdom: “Though it cost all you have, get understanding” (Proverbs 4:7 NIV).

See you in March!

Glenn Burris, Jr.
Vice President of U.S. Operations/General Supervisor

SPEAKERS

In POWER by Pastor Jack Hayford

Jack W. Hayford is the president of The Foursquare Church. He serves as chancellor of The King’s College and Seminary and is perhaps best known as the founding pastor of the Church On The Way, the First Foursquare Church of Van Nuys, CA. A nationally and internationally recognized scholar and teacher, Pastor Jack draws on a wealth of experience to mentor other leaders and is recognized as a “pastor to pastors.” His ministry at denominational and interdenominational gatherings has caused Pastor Jack to become an acknowledged bridge-builder, helping forge healthy bonds among all sectors of the Church. The current focus of Pastor Jack’s ministry is to equip pastors of many church affiliations, serving diverse communities around the world.

In PURPOSE by Pastor Pete Scazzero

Pete Scazzero, author of the recently published *Emotionally Healthy Spirituality* (Integrity, 2006), founded New Life Fellowship in September 1987, in Elmhurst, Queens – a large, multiracial, international church with over sixty-five countries represented. Out of his successes and failures of pastoring, he, along with his wife Geri, embarked on a journey of integrating emotional health and spirituality. Over the past eleven years, this has radically transformed New Life Fellowship – in their leadership development, staff/board relationships, discipleship, small groups, and multicultural/racial reconciliation efforts. These principles were first outlined in the books, *The Emotionally Healthy Church* (Zondervan, 2003), winner of the Gold Medallion Award for 2003.

In PURITY by Pastor Ted Roberts

Ted Roberts is the senior pastor of East Hill Foursquare Church in Gresham, OR. He is the author of *Failing Forward and For Men Only: The Courageous Fight For Healthy Sexuality, Pure Desire Living Life Boldly*, and his newest release, *Going Deeper*, written with Pam Vredevelt. He also writes a column for (New Man Magazine) and is a frequent speaker to various civic and business organizations ranging from the Oregon Bar Association to Boeing, and is in demand as a speaker both in the United States and around the world. He is co-recipient of the Telly Award for excellence in video and film production.
